Dear Mark,

I wanted to congratulate you on your resourceful invention of "The Bagglor." We have all experienced the aggravation and discomfort while carrying shopping bags. Your innovation have given consumers peace of mind and relieved the stress of carrying heavy loads that might cause much physical pain.

You have displayed an incredible sense of creativity and ingenuity to the State of Maine, as well as future consumers across the country. Once again, congratulations on your success. If I can ever be of assistance, please do not hesitate to contact me.

Sincerely yours,

Elizabeth H. Mitchell
