Dear Mr. Eichenbaum:

Congratulations on the recent *Bangor Daily News* article detailing the Bagglers' success. This article poignantly highlighted the inventive and entrepreneurial spirit that has made your business such a success. My wife is a big fan of the Bagglers and now uses it often.

I always enjoy hearing about how an innovative business like yours helps drive Maine's economy and contributes to the local community. Thanks for the special care and attention you have given to serving the elderly. I wish you much success in your future endeavors.
